Secretary to the Government of His Highness

the Maharaja of Mysore, Genl. & Rev. Departments.

Sir,

Adverting to Government Proceedings No. 5392/ LB 405-07-4 dated the 5th instant directing that the question of granting a local allowance to the Market Sergeant at Robertsonpet may be considered when the said appointment is to be made permanent, I have the honour to state that the Market Establishment is likely to be made permanent in the not very distant future as the income derived by the Board from the Market has been steadily on the increase. This is due in great measure to the excellent work that the Market Sergeant has turned out in looking after the collections. The Board passed a resolution to the effect that they would be pleased to pay the Market Sergeant this allowance and I respectfully request that Government may be moved to kindly reconsider their present order as the Sergeant certainly deserves encouragement and it is hard on him that he should not get the allowance merely because the Establishment has not as yet been made permanent.

I have the honour to be,

Sir,

Your most obedient servant,

for President, Sanitary Board, K.G.F.
